

# Health and Safety Executive for Northern Ireland & the Irish Congress of Trade Unions

# Northern Ireland Health and Safety Representative of the Year - could you be the winner?

Health and safety is a vital part of every workplace in Northern Ireland and Health and Safety Representatives work to make workplaces safer. That is why the Northern Ireland Health and Safety Representative of the Year Award has been established to recognise the contribution Health and Safety Representatives make to protect workplace safety and improve health and safety standards in workplaces throughout Northern Ireland.

Presented by the Health and Safety Executive for Northern Ireland (HSENI) and the Northern Ireland Committee of the Irish Congress of Trade Unions (NIC ICTU) the award couldn't be easier to enter.

## Entry is easy

To be considered for the Northern Ireland Health and Safety Representative of the Year Award.\* Just ask yourself the following questions:

- **are you a trade union appointed health and safety representative or an elected representative of employee safety?**
- **do you want to be recognised for making a positive contribution to protecting and improving health and safety in your workplace?**

If you can answer yes, then you are exactly who we are looking for.

All you have to do is complete a simple application form and tell us why you're so great at what you do! You can either complete this yourself or ask your trade union office or employer to complete it on your behalf.

## Benefits

The benefits of being the award winner are:

- recognition for the role of the Health and Safety Representative
- publicity for your achievement
- development opportunity for your career
- a chance to promote good health and safety practice within your organisation

- invitations to a range of health and safety events
- framed winner's certificate
- winner's trophy to keep for the year

Shortlisting and selection will be made by a panel constituted by HSENI and the Northern Ireland Committee of the Irish Congress of Trade Unions (NIC ICTU). The panel's decision on shortlisting and final selection will be final. The award will be judged on the information you provide in relation to the following areas:

- **your ability to identify health and safety problems and implement improvements**
- **your role in communicating and representing on health and safety matters**
- **your enthusiasm for seeking out and keeping up to date on what's new in workplace health and safety.**
