

Digital Learning

Dave Flanagan – Senior Project Officer GMB

What is Digital Learning?

- Time
- Place
- Guided Learning
- Pace

Here's a Laptop now Crack on!

Technology is the facilitator / tool not the instructor

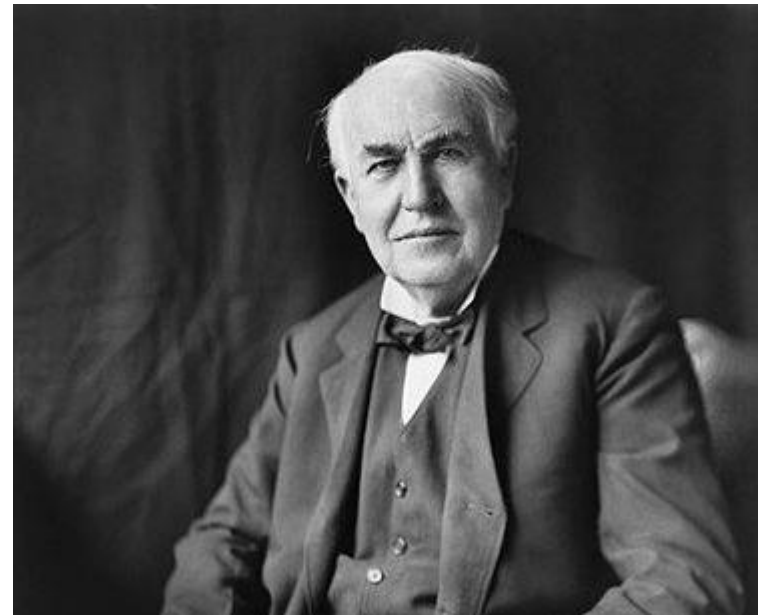

Learners Need Digital Literacy

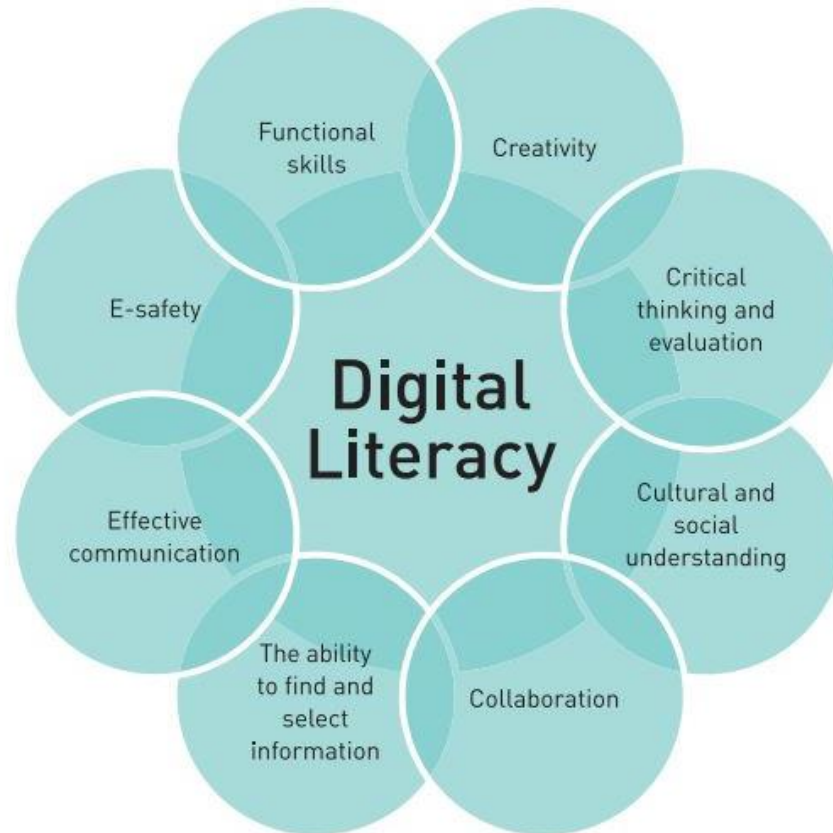

“60% of internet pages contain misleading information”

- *Thomas Edison*

Learners need 'new literacies'

How Can ULR's / ULF Help ?

- Identify gaps as part of skills assessments
- Partner with online learning providers
- Partner with developers of online systems
- Engage with national campaigns
- Invite Corporate partners to run sessions
- Work to develop own online material
- Take fear out of IT solutions
